

# DOMINICA

# 2022

**\$3400 Diver ~ \$2950 Non-Diver**

**June 25th through July 3rd, 2022**

Dominica is famous for an abundance of hidden treasures that lie within it's lush landscape and beneath the Caribbean Sea, and Fort Young Hotel has a front-row seat to it all!

Dominica also serves as host to two-thirds of all known whale species, either residing or visiting the waters each year, making it one of the best locales in the world to witness these majestic cetaceans.

The hike through Titou Gorge is actually a short swim from the base of a waterfall through a series of natural "rooms and ponds" formed by high cliff walls canopied by inter-laced trees. The undulating sides of this deep, narrow gorge were formed as molten lava cooled and split apart.
