

# Cayman Brac

**Jul 30-Aug 6, 2022**

Join Calypso, The Dive Shop of Joplin, as we travel to Cayman Brac, a jewel in the Caribbean Sea. Our Resort is on a private beach on the south shore and all of the rooms face the beach and the ocean! All meals at the resort are included, even on your arrival and departure days, and the food is delicious!

The rooms are beautifully appointed, look out on the pool, the beach, and the ocean. You will immediately feel the aura of "Island Life" and you'll know you have found paradise!

The diving is incredible! The reefs are teeming with marine life, both large and small. The wreck of the Tibbetts is like a magnet for a variety of creatures and a much-sought site to visit. There is even a day trip to Little Cayman to dive the iconic Bloody Bay Wall, weather permitting.

Space is limited, so don't delay to make your deposit and reserve your spot—When they are gone, they're gone!

Included are: Transfers to & from the Resort, Welcome Rum Punch, All Meals at the Resort, Manager's Cocktail Party, Six Days with 2 morning Dives, Five Days with 1 Afternoon Dive, Little Cayman Day Trip, & Nitrox/EAN for scheduled Dives! If Round-Trip Inter-Island Shuttle Flights go up in price, it will be added.
